How to Safely and Wisely Use Your Sixth Sense

by Cyndi Dale

Everyone is a little psychic. Little do many of us know, that 80 percent of our day-day problems and bigger life challenges are not our own. In fact, these irritations and troubles are often psychic in nature. In her newest book, **bestselling author and internationally renowned intuitive healer Cyndi Dale offers solutions** to these multiple psychic sensitivities.

This **all-new and informative book** guides readers through identifying their psychic sensitivities and offers the essential tools necessary to turn them into intuitive gifts. Readers ultimately learn how use these gifts to live lives that are happy, healthy and purposeful. With her loving voice and gentle style Cyndi Dale helps readers find comfort and compassion within themselves, and her unique approach to psychic sensitivity is both deeply personal and easily accessible to readers' lives. As she shares, *"This is the book I wish I had when I struggled with my own sensitivities."* Cyndi's fourteen previously published books include *The Complete Book of Chakra Healing*, *Everyday Clairvoyant*, *Advanced Chakra Healing* and *The Subtle Body*.
